Our Key Sectors

01 Healthcare

Henson Interiors creates healing environments that prioritize patient comfort and well-being through thoughtful interior design solutions.

03 Education

Transforming learning environments, Henson Interiors fosters creativity and productivity with innovative and functional design solutions for schools, universities, and educational institutions.

05 Commercial

Enhancing work environments, Henson Interiors creates inspiring and efficient spaces that promote collaboration, productivity, and brand identity for businesses across various industries.

02 Hospitality

Crafting memorable experiences, Henson Interiors designs inviting and luxurious spaces tailored to the unique needs of hotels, resorts, and restaurants.

04 Residential

Elevating living spaces, Henson Interiors designs bespoke interiors that reflect the individual style and personality of homeowners while maximizing comfort and functionality.

transformed
spaces

Draeger East Africa

LOCATION: Westlands

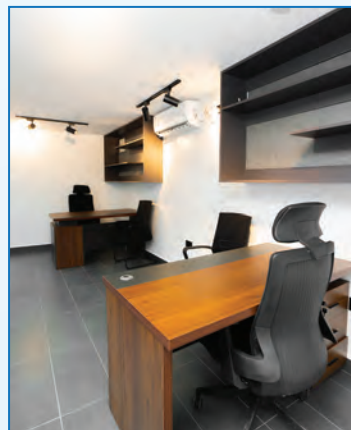

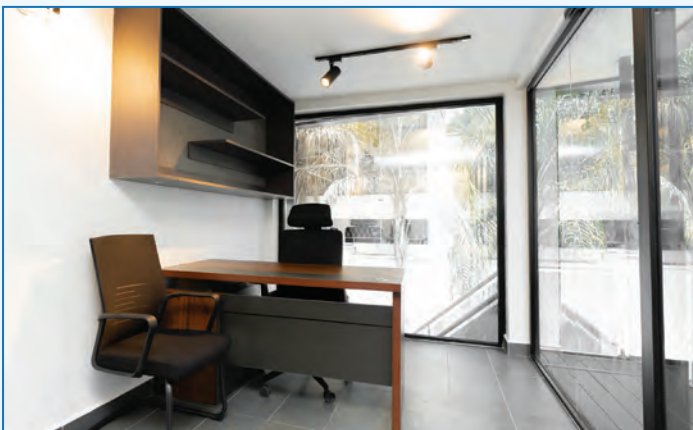

Henson Interiors was involved in delivering a stunning and functional office. We aimed to develop a captivating design concept that embodies elegance, comfort, and modernity while reflecting the restaurant's unique identity.

Mayfair Offices

LOCATION: Westlands

Henson Interiors delivered conference facilities aligned with the client's corporate identity, emphasizing a contemporary aesthetic. State-of-the-art technology was integrated to enhance presentations and connectivity, while attention was paid to lights and acoustics to create an optimal meeting environment.
